Total credits for graduation: 128 credits

Non credit-related graduation requirements Graduation Requirements for This Department

Compulsory Courses: 93 credits (including 65 required credits, 6 English credits, and 22 diverse general education credits).

Elective Courses: 35 credits (including 26 department elective credits and 9 external department credits). 🗇 External department credits recognized by the department range from 9 to 12 credits.

Explanation 1: If 9 external department credits are taken, 22 department elective credits must be completed; if 12 external department credits are taken, 19 department elective credits must be completed. A minimum of 9 external department credits is required, with a maximum recognition of 12 credits.

Explanation 2: Includes the courses "Exploration Area" and "AI Experience 2.0" (exempt for international and transfer students), but excludes general education, physical education, and military training courses. Mandatory Electives: 5 credits.

(Mandatory electives are defined as courses that must be taken during the study period. If a student withdraws for the second time during the semester, it will be considered as not taken. The grade must appear on the

transcript, and the credits count toward department elective credits to meet graduation requirements.)

Sudents must pass the basic certification exam (e.g., Financial Knowledge and Ethics Certificate) and obtain at least one professional certificate during their study period to meet graduation requirements. For detailed requirements are released to the huplementation Guidelines for Graduation Requirements are released in Financial Management at Chung Hua University.

Notes on University and College Common Requirements

1. English and General Education Courses: Students must follow the Chung Hua University Guidelines for English Courses, Internal and External Assessments, and "Workplace English" and the General Education Curriculum Regulations to complete the required credits within their study period to qualify for graduation.

2. Physical Education Courses:Students must complete the required credits in accordance with the Chung Hua University Physical Education Course Regulations to qualify for graduation. 3. Exploration Area Courses: To cultivate students' self-directed learning and understanding of SDGs (Sustainable Development Goals), first-year students must complete the "Exploration Area" course. The credits can be

counted toward the 9 external department credits. 4.AI Skills: To fulfill the university's student capability indicator for "AI Skills," students must pass the AI capability assessment according to the Chung Hua University AI Capability Assessment Implementation Guidelines

during their study period to meet graduation requirements. nhance students' technical capabilities in AI and the metaverse, first-year students must complete the "AI Experience 2.0" course. The credits can be counted toward the 9 external department credits

5.Basic Skills Requirements: Students must comply with the Implementation Guidelines for Chung Hua University Basic Student Capability Indicators, College of Management Basic Capability Indicators, and Department of

Information Management Student Capability Indicators to complete graduation requirements. 6.Information Application Skills:Students must pass the information application assessment according to the Chung Hua University Information Application Capability Assessment Implementation Guidelines and complete

the college-required course "Big Data Analytics and Business Intelligence (PBIVBA)."
(a) Management students must pass one of the following certifications: TQC Excel (Practical Level), MOS Excel (Standard Level), TQC+ Basic Programming, TQC+ Programming, Certification, TIS Python International

ertification, or Chung Hua University's own Excel/Python Programming Certification

7. Social Responsibility Skills: Students must complete 18 hours of volunteer service in accordance with the Chung Hua University Volunteer Campus Culture Promotion Implementation Guidelines to meet graduation requirements.

2. Communication Skills:Students must pass the English proficiency test as specified in the Implementation Guidelines for English Proficiency Graduation Requirements and the Chinese proficiency test as specified in the Implementation Guidelines for Chinese Proficiency to qualify for graduation. 9. Physical Fitness:Students must complete the physical education credits and pass swimming and physical fitness assessments in accordance with the Chung Hua University Physical Education Course Regulations to qualify

for graduation.

10. Innovation and Creativity Skills: Students must take at least one innovation and creativity course, as specified in the Chung Hua University Innovation and Creativity Course Implementation Guidelines, and submit at least

one project to the university's innovation and creativity competition.

Since the second 11.Course information is subject to the courses offered each semester.
